

Guess the Year

Five clues, from hardest to easiest. The year is on the answer page.

1. Sony introduced a personal stereo called the Walkman.
2. Trevor Francis became football's first million-pound player.
3. A 'winter of discontent' began the year with strikes and snow.
4. A May election made history at Number Ten.
5. Margaret Thatcher became Britain's first woman Prime Minister.

Your guess: _____

Answer

1979

'Where there is discord, may we bring harmony' — quoted on the steps of Downing Street.
